Showcased Wines

Flint vineyard is based in the sunny and sheltered Waveney Valley in south Norfolk where winemaker Ben Witchell crafts wines using a blend of innovation and a respect for tradition. We are delighted to be able to bring you an expertly paired menu to showcase each of our dishes and accompanying wines.

Charmat Sparkling Rosé

The perfect aperitif. This wine is a blend of four aromatic German grape varieties: Solaris, Reichenstiner, Cabernet Cortis and Rondo producing a vibrantly coloured wine, fruit forward in youth developing more complex flavours of praline and sweet herbs.

Flint Vineyard's Bacchus 2017

Named by The Independent as Indy Best Buy English Still Wine 2018 and included in The Times Top 50 White Wines. A vibrant yet delicate wine, The nose is floral with a peppery spice, citrus fruit and a mineral background.

Pinot Noir Précoce

A close relative of Pinot Noir that ripens very early and is particularly suited to England's climate. The grapes were hand-picked at perfect ripeness, following an almost perfect grape growing season with hot and dry weather that encouraged small, concentrated berries

Chateaux Partarrieu, Sauternes, Bordeaux

Lovely honeyed Sauternes, full and rich with bags of dried fruit, honey and sweet spice flavours.

Flint Rosé

This rosé is a blend of two very distinct early ripening grape varieties: Cabernet Cortis and Rondo with naturally yielding beautiful, bright pink juice from each variety.
